All manuals
Existing safety equipment
Existing mooring equipment

Excluding:

The Bayliner 2655 Ciera Sunbridge is a very bright and roomy cruiser. The 9' 6" beam offers enough space for a convertible dinette and an additional settee beside the galley. 2 overhead hatches and opening portlights provide excellent air flow and the large mid cabin has good headroom, a large window, opening port, and storage. Sleeping for 6 with this superb layout is not a problem.

Lots of extras and upgrades including a Honda 1000 portable generator, soft bottom dinghy, 8hp motor, Marine BBQ, recent canvas and windlass w/125' chain.

Extremely clean and very well maintained!
