All existing safety equipment & 2 new fire extinguishers

All existing mooring equipment

**The Doral Monticello is a great performer, has a very open, bright and user-friendly layout with good headroom and excellent storage. Both the exterior and interior are very modern, using NO wood accents at all. The cabin sole is white fiberglass with lay down carpeting – bright and super easy to clean. The upholstery and headliners are like new throughout the boat, with no signs of mold or mildew anywhere.**

**The bimini camper top, styled in dark blue Sunbrella canvas, complete with screens and privacy sunshade to keep the cockpit cooler, on hot humid days was added in 2009. A Lowrance 5300C w/5" screen and Navionics Gold chart chip, Lewmar Pro 1000 chrome windlass with Bruce anchor and new stereo are just some of the upgrades this extremely well maintained boat has.**

**Only 575 original hours!**
