Sea Ray's 290 Sundancer with handsome sculptured lines and first-rate accommodations continues to be much sought after on the used boat market. Power Boat Guide says "it offers just about everything one could desire in a quality midsize family cruiser." We couldn't agree more. This 290 has been beautifully kept. The original interior is in near pristine condition and the cockpit upholstery is like-new. A 2020 survey found her to be in very clean overall condition and structurally sound.

**Located off-site. Call for viewing appointment**
