The low profile complementary styling gives the Santego outstanding presence on the water. The comfortable command bridge and fully enclosed cockpit provide plenty of room to relax and entertain out of the weather. This 3067 Santego has upgraded neutral cabin cushions, draperies & carpets. The entrance stairs to the main cabin have been resurfaced with teak. All these upgrades reflect today's design tastes making this boat look years newer. A professionally maintained boat that is a pleasure to show!
