Outdrives serviced (2020)

Throttle and shift cables replaced (2020)

Sleek lines, a gracefully curved windshield and spacious modern accommodations make the 30' Prestancia one of Doral's most popular models. This one has all the basic amenities necessary for a comfortable weekend or a few weeks on the water, including heating and air conditioning. The cockpit layout is well thought out with plenty of passenger seating forward, plus a fold-away aft bench. An extended swim platform makes boarding from the stern a safe and easy process and provides a super base for in-water activities and/or a dinghy lift. Sleeping accommodation can stretch to six with the convertible dinette.
