All existing safety & mooring equipment

Broker's Comments:

Bayliner's 3288 Motor Yacht, first introduced in 1981, was the all-time best selling boat in its class with over 3000 sold. The interior layout is impressive featuring two private staterooms, a generous cockpit w/full size sliding door to the spacious salon where you can enjoy the panoramic view through big, wrap-around cabin windows. The aft stateroom features a huge bed with complete privacy, storage & vanity. This 3288 has an updated extended swim platform and low hours on updated 305 engines. The exterior teak trim is in good condition. Interior decor is original and ready for updating. Overall, a great buy if you are looking for a proven cruising platform with lots of potential.
