Excluding: Pine storage box, dinghy w/motor & life jackets

The 10M Aft Cabin Sport Sedan sleeps 8 – 10 in comfort. A very rare model – FRESHWATER only!

The current owner's purchased the boat from the original owners who bought the boat new out of a show room 1986. This fabulous layout has a V-berth stateroom with large bed and privacy door, the forward main cabin has a side settee which converts to bunks that sleep 2 adults and the dinette converts to another double. The private aft cabin has port and starboard twin beds and a very spacious head.

A very well appointed boat with all the equipment you could ever want - generator, air/heat, all chain windlass, new fridge, Standard Horizon GPS/Plotter/VHF and house batteries that facilitate anchoring out for several days!

Trojan says "With three spacious cabins: the salon, the expansive forward main cabin, plus the comfortable private aft cabin ... the 33' Aft Cabin Sport Sedan with flybridge is a pleasurable contradiction in yachting. It offers the rare combination of extraordinary accommodations built into the sleek, highly maneuverable 10 Meter International Sport Yacht."

Located off-site – please call for an appointment.
