Silverton 35 Motor Yacht – 2006 \$149,000

LOA	40' 2"	Beam	13' 4"
Draft	35"	Fuel	286 Gallons
Water	94 Gallons	Waste	55 Gallons
Weight	22,618# (dry weight)	Headroom	6' 4"
Power Generator	Twin Crusader 8.1L MPI - 385hp each - Fresh Water Cooling		220 hours
	Kohler 7.3 E w/Sound Shield		

One owner and meticulously maintained! This vessel has been winter stored in a heated building since new and pampered from stem to stern. Pride of ownership is evident throughout and you will not be disappointed! Only 220 hours, fully equipped and ready to go!

Located off site – Call to arrange an appointment

Silverton says ... "The Motor Yacht with Living Space to Spare - With her streamlined international flair, few boats of this class look as fast as Silverton's 35 Motor Yacht. With a pair of 8.1L Crusader engines driving her, that racy style is not deceiving. The Thirty Five's interior design is equally accomplished. The large main cabin integrates the amenities of a salon, dinette, and generously equipped galley into one fluent space. A satin cherry finish is reflected in horizontal surfaces, cabinetry, doors and bulkheads. A split stateroom plan ensures privacy. Both handsomely appointed staterooms feature large berths and hanging lockers. The master has an ensuite head with stall shower and a second head with split shower serves the guest stateroom and also as a day head. The salon's Ultraleather™ sofa converts to a double berth, supplementing the staterooms' accommodations. The bridge offers an unobstructed view of pleasures ahead while Silverton's innovative SideWalk® permits safe passage to the foredeck. The spacious aft deck satisfies those who prefer to entertain out of the weather. While she stands at the threshold of Silverton's Motor Yacht line, there is nothing "entry-level" about the Thirty Five – designed for families in search of more room and luxury".

Galley

Amtico® flooring
Corian® countertops
Microwave/Convection oven
Range – 2 burner electric
Refrigerator/Freezer (110V-12V) - full size
