2006 Cruisers 415 Express Motor Yacht **\$238,900**

LOA	42' 6"	Beam	13' 8"
Draft	3' 6"	Weight (Dry)	29,000#
Fuel	380 gallons	Water	100 gallons
Waste	70 gallons	Clearance	14' 0"
Headroom	6'6"		

Power Twin Volvo 8.1L GXi, 420 hp, FWC, Direct Drive - 580 hours

Full Hardtop Coupe * Aft Cabin Comfort
Fabulous cross-over design gives the best of both worlds

Huge, bright interior cabin space incorporating salon, galley and dinette on the same level
Custom swim platform extension with 700 lb capacity power-assisted dinghy lift
100% Freshwater vessel, covered slip kept

Cruiser's 415 Express, introduced in 2003, combines the deck layout of a full hardtop express cruiser with the below-deck accommodations of an aft cabin motor yacht. This freshwater 2006 is covered slip kept, and loaded with factory options and owner-added upgrades, including a custom extended swim platform and a Sea Weed dinghy lift reinforced to handle up to 700 lbs.

She's well equipped for luxury cruising with a full suite of creature comforts. Relax at the aft-deck refreshment centre with convenient wet bar and ice maker, or enjoy a movie or the ball game over the satellite TV system on upgraded flat screen TVs. Cruise in the comfort of a heated and air conditioned cockpit with 360 degree panoramic views – it's all there for a fraction of the cost of a comparable current model.

Rainey's Buoy was the featured pre-owned boat in the 2013 summer issue of Boats & Places Magazine. The review includes a water test demonstrating the smooth acceleration and impressive cruising speeds delivered by the twin Volvo 8.1L power plant. Also included is a great video walk-through of the boat that is well worth viewing.

With a superbly equipped command bridge, huge salon and two beautifully designed staterooms, the Cruiser's 415 is the perfect cross between express styling and aft cabin comfort. This is a great opportunity to own a superbly maintained, freshwater aft cabin cruiser loaded with upgrades and options.

Available for viewing by appointment
