All existing manuals  
Shorelander trailer

#### Electronics/Navigation

Raymarine Axiom GPS + Fishfinder (new 2022)  
Hummingbird digital depth gauge  
Westmarine VHF radio with DSC  
Ritchie compass

#### Broker's Comments:

Known for superior design and construction quality, Chaparral introduced 5 brand new SS Series models in 1995, the 2335 SS being the top of the line "family-sized" cuddy cabin. Built on a deep-V hull (22° deadrise), the 2335 provides a safe, comfortable ride no matter the conditions. Flexible cockpit seating coupled with a surprisingly spacious cabin make for comfortable daylong journeys with the option to overnight if desired. The cabin layout includes dinette seating that converts to a v-berth, plus a refreshment centre with a sink and single burner butane stove for a tea or coffee on the go.

This very clean 2335 comes with a Sunbrella camper canvas system and an extended swim platform with boarding ladder. A Shorelander trailer is also included making this a complete turn-key package.
