### Superior Build Quality, Great Performance

Classy Cobalt styling combined with big-block power for superb responsiveness and top-end speed. Traditional Cobalt fit and finish and design ingenuity is evident throughout, and she offers a terrific amount of very functional built-in storage with loads of plush, comfortable seating forward and aft. A head/change compartment concealed in the port console and Cobalt's signature, double-stitched upholstery is in great shape with no rips or tears.

This 252 Bowrider is in beautiful condition with only 315 hours on the meter. She's ready for a new owner and many more years of stylish, carefree boating at a fraction of the cost of newer craft.
