#### Brokers Comments:

The Doral Citation offers impressive comfort, space and storage in a very practical layout. All the basic amenities found in larger cruisers are packed into this 26' vessel, including a very functional and comfortable cockpit seating area. There are only a few hours on the completely rebuilt engine – done in August 2009, and the detailed invoice shows this is worth thousands.

A great package for anyone looking for excellent value in an entry level, mid cabin family cruiser.
