Brokers Comments:

The Doral Monticello is a great performer, has a very open, bright and user-friendly layout with good headroom and excellent storage. Both the exterior and interior are very modern, using NO wood accents at all. The cabin sole is white fiberglass with snap down carpeting, and the neutral taupe and white upholstery make the boat seem much newer than her year.

The new bimini camper top, styled in *linen tweed sunbrella* canvas, complete with screens and privacy sunshade to keep the cockpit cooler, on hot humid days was added August 2009.

Only 694 original hours on this very clean, well maintained Monticello!
