Stern drive serviced (2022)

New bellows (2022)

Monterey's 270CR is a trailer-able, dual-cabin cruiser featuring sleeping accommodations for four with two double berths, a main cabin with stand-up height throughout, and a complete galley and head for comfortable extended cruising. The forward berth converts to a dinette seating area. The fully enclosed head includes mirror, overhead lighting, generous storage, sink, manual-flush toilet and a shower.

This 270 Cruiser comes packed to the gunnels with options, including premium upholstery and deck fittings and a nearly new bimini canvas system with a sport back and separate cockpit mooring cover. With only 95 hours on the Volvo engine, she offers superb value in a well maintained sport cruiser with head-turning styling and exciting performance.
