Brokers Comments:

The 284 Amerosport has a 10' 2" beam and a very spacious interior for a 28' boat. The V-Berth boasts a very generous sized bed, and together with the convertible dinette and the mid cabin, the boat sleeps 5 - 6. Her all white hull is very stylish and modern looking, and generous side decks provide an excellent safe walkaround. A very good running boat, with cruising speed around 22 knots and will deliver around 38 knots wide open.
