This versatile layout is bright, spacious and very practical. The aft cabin features both a double and single berth, plenty of storage and a privacy door. A cozy salon with a 360° view to the outdoors, overlooks the huge dinette area, creating a super interior for entertaining. Cooking is a breeze in this amazing galley that has more storage than many homes have. Loaded with options - Generator, Heat/Air, Windlass & Ice Maker! Extremely clean, and definitely shows pride of ownership throughout.
