#### Description

A rock solid, 100% freshwater day tripper with overnight capability, this Fever 290 will get you where you want to go in style and comfort, and at warp speed!

A 2021 survey found her to be in "excellent condition for a boat of any age", with only minor imperfections in cabin trim. With the Fountain pedigree, low hours and twin engine configuration, she's a great find.

The package price includes a 2011 Phoenix aluminum I-beam tri-axle bunk trailer with a 15,000 lb load limit, disk brakes and alloy wheels, conservatively valued at \$6500.
