Highfield hard-bottom dingy

Yamaha 9.9 two-stroke motor

An affordable, practical family cruiser with a wide 11' beam that provides plenty of space inside and out. This 3055 Ciera has enjoyed inside winter storage for 22 years and is in very clean condition throughout. The cabin layout provides fore and aft double berths, a well equipped galley and a large dinette. Cabin carpets and upholstery have been updated and there is an enclosed head with vanity and manual toilet. The cockpit layout is equally spacious with double-wide helm seats and plenty of comfortable passenger seating aft. The package includes a hard bottom dingy and motor, and a platform-mounted dingy lift system.
