Refurbished stringers and grid system ~ \$10,000 (2011)  
New Borg Warner V-Drives ~ \$15,000 (2011)

Carver's 32 Mariner boasts a **large cockpit** with a wide transom door, leading to full size glass sliding doors with screens into a very spacious, one-level cabin. The **widest walk-around available** provides easy access to forward decks for locking and docking. A **huge flybridge** accessed from both port and starboard sides gives the Mariner all the advantages of a bridge boat, but her low profile makes her much easier to handle in a stiff breeze. There is ample seating up top for several passengers, a convenient table and plenty of storage. This professionally maintained, freshwater 32 Mariner is fully equipped with a generator, heating and air conditioning, an all chain windlass and a dinghy with motor. She has had extensive upgrades including **new stringers and bulkheads, new vacu-flush head and holding tank, new hot water heater and new V-drives**, and is in great condition overall. A "must see" for anyone in the market for a solid, mid-size cruiser at an affordable price!
