All details are believed to be correct, but not guaranteed by owner or Broker. Some information may have been sourced from manufacturer's brochures.

It is the Purchaser's responsibility to have all engines, systems and integrity of the vessel inspected. **Page 1 of 2**

The fabulous open concept layout of the Carver 325 Aft Cabin includes large windows, plenty of ventilation with a better galley and more storage than most boats over 40 feet. The aft cabin stateroom features both a double and single berth, and the six-foot sofa bed and large convertible dinette sleep four more in comfort. There is safe and easy access to the aft deck and swim platform by way of molded steps and two hand rails. The huge lockable storage box/seat on the swim platform will stow plenty of gear and water toys for the whole family. Our photos don't lie; this Carver 325 is in very clean condition throughout and has obviously been well maintained over the years and by the current owner. [She comes complete with a slip at Queen's cove Marina in Victoria Harbour paid for through April 2025.](#)
