BBQ

Brokers Comments:

The St. Tropez remains one of Wellcraft's most successful cruisers ever. A single level cockpit with wet bar, ice maker, L-Shaped aft seating and molded steps to walk-thru windshield makes for the perfect entertainment area.

A centre companionway gives way to a bright and open concept layout with sleeping for six. All the amenities needed for comfortable cruising, including a 6.5kw generator. The inboard engines are very responsive, and a dream to handle. Don't miss this one!

Vessel is located off site – please call ahead.
