Professionally waxed annually

Neutral – Sea Ray Arctic White/Black-Tan

#### Brokers Comments:

**The 330 Sea Ray Sundancer model was updated in 1995. The hull bottom was redesigned for increased fuel economy, and a forward facing radar arch was added to produce a softer looking profile. U-shaped cockpit seating to starboard, portside transom door, ice maker & storage behind the passenger seat, all provide a fabulous comfortable entertainment area for your family.**
