Existing safety and mooring equipment

Existing manuals

This super clean, well equipped family express is an absolute gem. Her second owner (15 years) has purchased a larger boat. She's loaded with cruising amenities and with a wide 11-foot, 8 inch beam, can sleep six. The cockpit features a double-wide helm seat, wet bar, and wrap-around lounge that converts to sun pad or an extra berth. Her hull was compounded and buffed in 2021 and she's enjoyed heated storage every winter. We think you'll be hard pressed to find better value for your boating dollar anywhere!
