### Broker's Comments:

The Doral 330 SE (rebranded the Doral Elegante 2003-2009) is a boldly styled mid cabin express cruiser with refreshingly innovative cockpit and interior design features. Transom gate access from an extended swim platform leads to a single-level cockpit with plush port and starboard passenger seating, a well equipped wet bar and a helm with double-wide seating and great visibility.

Below decks, salon cabinetry and furnishings are beautifully sculpted with nary a sharp corner to found anywhere. A very large forward dinette with solid cherry table converts effortlessly to a huge double berth, A second settee opposite the galley provides a comfortable seating area with table allowing the forward berth to remain made up if desired. The mid cabin with privacy door provides a second double berth with a stand-up entrance area, vanity with sink, tub chair, and provides far more storage capacity than your average mid cabin. The head compartment is designed to double as a shower with bench seating and also, ladies, includes a very rare (on boats this size) full-length mirror that opens to the salon.

This freshwater, low-hour, Doral 330 SE is exceptionally clean inside and out, and all upholstery is in excellent condition with no visible signs of wear. The canvas top is in very good condition with all clear mil panels recently replaced. Brand new grey Infinity cockpit carpets tone beautifully with the white cockpit upholstery and black top. From a mechanical standpoint, the twin MerCruiser big block V-drive engines provide plenty of power to get up on plane, and direct drives eliminate the significant maintenance costs associated with the outdrive configurations commonly found in most 330 SE's. To top it off, a Walker hard-bottom dinghy is included, making this a truly turn-key cruising package.
