Broker's Comments

The 370 Aft Cabin Motoryacht offers a good seating capacity on the fly bridge and a full-beam aft deck (over 100 square feet with hard top & wing doors) perfect for relaxing after a day of cruising. Port and starboard molded steps lead to the bridge and a spiral staircase makes for easy access to the extended swim platform equipped with a Dinghy Caddy lift system.

Below decks, is an expansive, wide-open interior with huge windows, two private staterooms, two well appointed heads, a booth style dinette and a full-service galley with stove & oven, and a full size fridge/freezer.

This Carver 370 Aft Cabin Motoryacht has been professionally maintained and comes with a detailed maintenance log. She is currently in heated storage and can be viewed by appointment over the winter months.

If you are in the market for one of Carver's most successful and sought-after aft cabin cruisers, this one should be high on your viewing list - but don't wait too long!
