**Carver's 38 Motor Yacht offers the comfort and privacy of two staterooms equipped with separate heads, a large salon with a step-down galley and a large dinette/lounge. The enclosed hardtop aft deck and large command bridge together provide ample space for above deck activities. Carver built these boats to last. The solid fiberglass bottom and a solid fiberglass stringer system can be counted on for many more years of problem-free boating.**

**This freshwater, covered slip kept, Carver 38 Motor Yacht is in superb condition overall. The bright, airy interior is tastefully done with upgraded upholstery and solid wood cabinetry. She is a "must see" if you are after for an affordable, double-cabin family cruiser in much better than average condition.**

**Located off-site ... call ahead for appointment.**
