Classic Express Styling, Two-Stateroom Interior, Dinghy Included

The 1990 Sea Ray 390 Express Cruiser is a classic example of Sea Ray's enduring approach to style, comfort, and offshore cruising capability. Her distinctive express-cruiser profile, generous accommodations, and substantial entertaining spaces give her an impressive presence both at the dock and underway. Built during an era known for robust construction and traditional yacht styling, the 390 offers a spacious two-stateroom interior with a queen berth forward and a unique guest stateroom to starboard that can be opened to the salon. The galley with breakfast bar faces a large curved settee. The aft cockpit is huge with comfortable seating for up to eight passengers. As one of the most popular express-style cruisers of her day, she offers great value for the dollar as well as excellent resale potential down the road.

This classic Sea Ray 390 Express Cruiser has been tastefully updated inside and out, and comes with a full suite of cruising amenities and more than $40,000 in recent upgrades. A 10' RIB dinghy and motor are also included, along with a powered swim platform lift system. A 2025 survey found her to be in "above average" condition overall with no significant hull moisture issues. If you are in the market for a 390 Express, be sure to put this one on the "must see" list.
