Survey – November 2004

Freshwater only and brand new canvas!

A true classic command bridge cruiser that is extremely well built, including fiberglass stringers! The large command bridge has lots of space for entertaining and if you want to lounge or BBQ outside, the foredeck has an integral seating area for many. A super layout with two private sleeping cabins, two heads and a well appointed galley with breakfast bar overlooking an open concept salon with a side door entrance – all you need for cruising comfort. This boat is extremely well priced to reflect some upgrades and TLC that are required to take this vessel back to top notch condition!

Vessel located off-site - please call ahead to view.
