Waste	60 Gallons	Weight	28,000 lbs (dry)
Headroom	6' 3"	Sleeps	6
Power	Twin Caterpillar 3208, ~350hp, 2752 Hours		

### Aft Cabin with Cockpit Full Comfort Liveaboard or Extended Cruising

One of Tollycraft's most successful, best selling models, the 44 Aft Cabin Cockpit Motor Yacht offers an unlimited versatility and attractive exterior lines. The unique Ed Monk Jr. "Quadra Lift" hull design provides great stability and economical performance resulting in an extremely comfortable motor yacht for extended cruising.

**Christina Diane** is a Canadian registered vessel and has been under the care of her current owners since 2006. Well travelled, she has one Great Loop cruise behind her and currently sits in a covered slip on Georgian Bay ready to head off again.

Accommodations below deck include a full-beam aft cabin with private head; forward stateroom; large, open salon with a sofa, tub chair and ottoman in matching Ultraleather; custom hi-lo table and direct access to the starboard side deck. A few steps down is a very functional U-shaped galley with booth-style convertible dinette opposite. The large aft cabin is beautifully appointed with an island queen bed, private head and shower, large mirrored vanity and plenty of usable storage space.

Topside, you will find a full-beam, hardtop aft deck with wet bar and seating. The hardtop accommodates a cradled dingy with an electric boom for easy launch and haul-out. The sidedecks are wide and safe, and can be reached from both aft deck and salon. The bridge has comfortable pedestal seating at the helm and bench seating aft, and all exterior canvas has been updated in white Stamoid.

Live aboard in comfort at your favorite port of call, or cruise the waterways of North America. **Christina Diane** leaves all your options open!

## Accommodations

**Master Stateroom:** Offset Island queen berth, mirrored dresser/vanity, hanging lockers, flat screen TV, sliding privacy door;

private, en-suite head with separate shower stall and mirrored vanity, Vacuflush

**Forward Stateroom:** Double berth with drawer storage below, hanging locker, overhead hatch and mirrored side storage compartments, en-suite access to forward head
